Tutor & Bank Holidays

All tutor holidays will be sent to clients one term in advance and will be available on mathswithmaisie.co.uk. For example, the term dates for Spring term will be sent in the weeks before Christmas. There will be no sessions on bank holidays.

Absences & Rescheduling

Clients should give 24 hours notice if they are unable to attend a booked session due to unforeseen circumstances, to allow other students to access support.

If sufficient notice is not received, the **full fee will be charged**.

In the unlikely event that the tutor needs to cancel a session, a rescheduled session will be offered at a reduced rate.

Conduct and Expectations

Students benefit from a relaxed and low stakes environment, accessing support away from the classroom. However, students must behave in a way that appreciates the space, respects the tutor and prioritises the learning of the whole group. If students do not allow for others to learn to their full potential, guardians will be contacted to discuss next steps at the tutors discretion. Options may include familial supervision at sessions, moving to a different group or to private tutoring, or terminating the agreement.

Practice

Students will be given resources for additional practice between sessions should they **wish** to engage.
